From the Desk of the Village President

This has been another fun and busy summer in Sussex. We saw great participation and attendance at our special events and we continue to see high use at our beautiful parks. Special events are a great opportunity to enjoy our beautiful parks system, meet your neighbors, or enjoy the company of friends. Our traveling beer garden was a fun way to enjoy our many

neighborhood parks and also celebrate the grand opening of our new neighborhood park in Vista Run.

We are so excited about the new amenities currently under construction in Village Park. Lions Daze 2025 was the perfect way to celebrate the shelter that served our community well over the last nearly 40 years. Construction is now underway on the new shelter that will provide a versatile venue for the multitude of community special events held in our park each year. The end of summer will also bring the completion of our 2025 road program in the Coldwater Creek and Pine Ridge neighborhoods which keeps us on track with our goal to actively perform maintenance on our Village roads.

We are a landlocked community with 10-15 years of growth ahead of us. The goal of our Board and employees is to maintain our small-town atmosphere as we grow by preserving the many parklands and nature areas we enjoy.

We continue to strive to make Sussex a welcoming place where everyone can safely live, work, and play. I hope to see you at a Village Board meeting or community event soon.

Thank you for choosing Sussex!

Anthony LeDonne
Village President
